

Meeting Log

10/26/18: Met briefly in LEEP2. Touched base on potential additions and ensured that we were all on the same page. All present.

10/29/18: Met in LEEP2. Discussed how to go about testing and specifically what can be tested. Decided on backgrounds and ways to generate 8 or 16-bit images. All present.

11/09/18: Met in LEEP2. Touched on where we all are and what we need to do. Made a tentative plan for next Friday to have the backgrounds all in and working, as well as smooth event triggers. All present

11/15/18: Met in Anschutz. Continued to work on backgrounds and event triggers. All present.

11/19/18: Met in LEEP2. Went over things we needed to finish over break. Stuff like coming back on Sunday night with a full build ready, and having “health” and “gpa” fully functioning. All present.

11/25/18: Could not meet due to snowstorm, worked together using groupme and similar applications. Put finishing touches on each of our parts.
